

FOXTROT

“Learning Forward.”

By Vika Crossland, Martin Mattes, and Sean McCord

An enriching learning environment

- Target age grades 3-5
- Takes stress off parents
 - Those working at home
 - Can't provide HW help during work
- Keeps kids occupied
- Engages young kids with learning in the form of games
- Provides HW help for subjects as needed

Homework Help 

FOXTROT

English

- Vocabulary flashcard generator
- Teaches new words
- Can be tailored to vocab being taught in class curriculums
- Easily track how much practice a student has done

```

north to south

Not quite... The correct answer is east to west.

Name one of the three main rock classes:

igneous

Correct! Next question...

Thanks for playing! You'll be a history/geography buff real soon!

Benefits everyone!

- Planned Teacher and College TA integration would provide a space to fill the gap of missing student teaching hours.
- Modular implementation of question types allows potential expansion to other topics or grade levels.
- Personal record keeping can show improvement and keep students motivated to learn.

Thank you!
